Referrals for Gifted & Talented Testing

Referral requests are now open for the CISD Gifted & Talented program. Although the testing will not take place until late January, referral requests are accepted at this time. Referral requests can be made by the parents and/or campus staff. It is recommended that parents of 2nd grade students wait until CogAT scores have arrived before nominating their child because CogAT scores are part of the GT assessment in October. If you are interested in referring your child, you may want to discuss this with your child's teacher. Referrals will be accepted October 2-December 15. The referral form is located on the next page or you may request one from the front office. You can also find the referral form and other GT information on the CISD GT homepage.
