SOLAR ECLIPSE 2024

Broadway Parents,

We are excited to announce that Broadway Elementary will be participating in the viewing of the upcoming solar eclipse event on April 8, 2024. This is a wonderful opportunity for our students to learn and experience this incredible event.

Every Broadway student will be provided with a pair of solar eclipse glasses purchased by the school. These glasses will ensure the safety of our students while observing the eclipse.

The students will be monitored by their teacher and a parent helper to assist during the event.

If you DO NOT want your child to participate in the solar eclipse event, please notify your child's homeroom teacher in writing. It is important to inform the teacher before the event date so an alternative activity can be arranged for them. If we do not receive written notification, your child will be included in the event along with all other students.

We look forward to this educational experience for our students. Thank you for your support.

Nikki Conley

Houston's partial solar eclipse will begin at 12:20 p.m., reach maximum coverage at 1:40 p.m., and end at 3:01 p.m.
